Fall Season at Villa

A MESSAGE FROM ALICIA ÁVILA

As we welcome the fall season, I can't help but think about how quickly this year has gone by! It feels like just yesterday we were welcoming the new year, and here we are already in October.

One of the things I appreciate most about working at Villa Scalabrini is the opportunity to be surrounded by so many wonderful people — our residents who share their stories and experiences, the families who visit and spend time with their loved ones, and our staff who work hard every day to make Villa a special place.

Sometimes, it's the little things that make the biggest difference. A simple hello in the hallway, sharing a laugh with a resident, seeing families enjoying time together, or watching our staff go out of their way to help someone.

These are the moments that remind me of what makes our Villa community so special. As the seasons change, I hope we all take a little time to enjoy the moments around us, appreciate the people in our lives, and continue creating wonderful memories together.

A BAVARIAN CELEBRATION OKTOBERFEST

Prost! Residents from both Assisted Living and La Piazza celebrated a festive **Oktoberfest**, complete with traditional pretzel necklaces, German beer, and a cheerful Bavarian balloon arch. There was plenty of cheer, both out in the autumn sunshine and inside the hall.
