Celebrating the Retirement of Laura Mesrobian

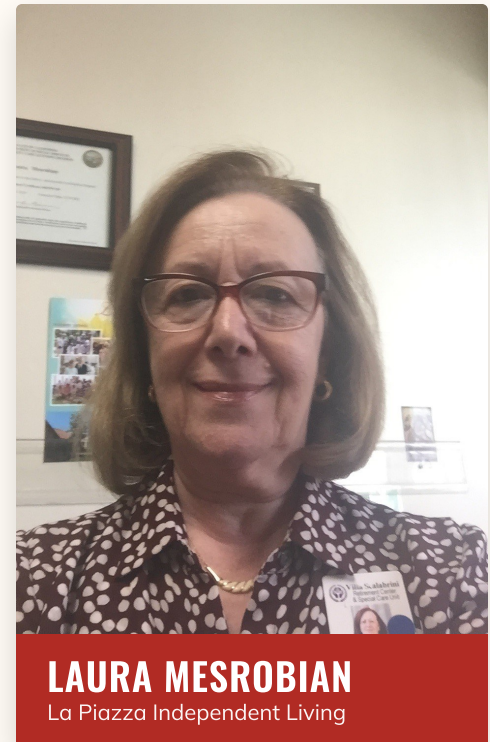

A FOND FAREWELL • BY ARDY AFSHAR

Laura Mesrobian first joined the Villa Scalabrini family in February 2011, shortly after her time with L'Italo Americano. I approached her about coming to work at Villa Scalabrini, and we were very fortunate that she accepted. From the beginning, she embraced our mission and quickly became an important part of our community.

Laura faithfully served Villa Scalabrini through September 2022, when she decided to retire. Knowing her deep understanding of Villa's culture and operations, I later asked if she would consider managing La Piazza Independent Living.

In true Laura fashion — dedicated, professional, and loyal — she accepted, returning two days a week to manage the office. Her involvement made for a smooth transition, and we were all grateful to have her back.

Over the years, Laura has been a tremendous asset to our management team, known for her calm attitude, professionalism, and intelligence. In all our years working together, I never heard a negative

word about her. Staff, residents, and families alike respect her warmth, fairness, and steady presence.

Personally, I will miss working so closely with her, and the many times I turned to her for insight and advice. Her impact on Villa Scalabrini and La Piazza will be felt for years to come, and we extend our heartfelt thanks for her service, dedication, and friendship.

"Congratulations on your retirement, Laura. We will miss you dearly and wish you every happiness in this next chapter!"

END OF SUMMER ANNUAL HAWAIIAN PARTY

Aloha! Our residents traded the last days of summer for leis, hula, and hibiscus. The lobby was transformed with a tropical balloon garland and an **Aloha** backdrop as everyone came dressed in their brightest island florals for an afternoon of music, dancing, and photos.
